2020 The 4th International Conference on Digital Technology in Education (ICDTE 2020) will be held during September 15-17, 2020, in Busan, South Korea. ICDTE 2020 aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of Digital Technology in Education, and discuss the practical challenges encountered and the solutions adopted. The conference will be held every year to make it an ideal platform for people to share views and experiences in Digital Technology in Education and related areas.
