

# 2026 10th International Conference on Digital Technology in Education

October 30–November 1, 2026  
Okayama, Japan

We are pleased to invite you to join us for the 10th International Conference on Digital Technology in Education (ICDTE 2026), which will take place from October 30–November 1, 2026 in the beautiful city of Okayama, Japan. ICDTE 2026 is organized by Okayama University, Japan and supported by University of Muenster, Germany and Multimedia University, Malaysia. It brings together researchers, educators, industry professionals, and students from around the world to explore the frontiers of digital technology in education. From AI-powered learning tools to immersive environments and educational data analytics, ICDTE serves as a vibrant platform for academic exchange, innovation, and collaboration.
